

VOTE FOR

Ralph Gilbert FOR CONGRESS

In the Democratic Primary August
7, 1920

He Will Redeem the District in November and
Serve You Honestly and Faithfully.

Congress is the Key to Dry Enforcement

A wet Congress can effectively cripple and practically annul the enforcement of the National Prohibition Amendment by cutting down the appropriation to meet the necessary expenses of law enforcement, or it can amend the Volstead Act to permit the sale of light wines and beer. Federal Commissioner of Prohibition Kramer says: "We might as well give up the whole thing and let it go by the board if we are to permit the sales of wines and beer. Soft drink establishments are troublesome enough today, but change them to wine and beer saloons and no power on earth could enforce the law or limit the amount of alcohol in the drinks sold."

If there ever was a time in the History of Temperance reform in America when your vote and influence count one hundred per cent. That time is now.

A Vote for Gilbert is a Vote for a Dry Congress

Gilbert is a lawyer of marked ability and has owned and operated a farm for 15 years. He is fearless in his stand for the Dry Cause and the principles of Democracy. His record in public as well as private life will bear the closest scrutiny. He does not conceal his views or hide his opinions and you know where HE STANDS on every public question. Since Governor Cox has stated that the liquor question is not a Presidential issue, but must be settled in the Congressional elections. Gilbert is more than ever the strongest man for the Democrats to nominate and put against King Swope, the Republican candidate, in November. Go to the polls on August 7th and cast your vote for Gilbert and you will vote for your next Congressman.

Remember that the Primary will be Saturday August 7th.
